# Portfolio

Matt Rooney

# Design Process

---

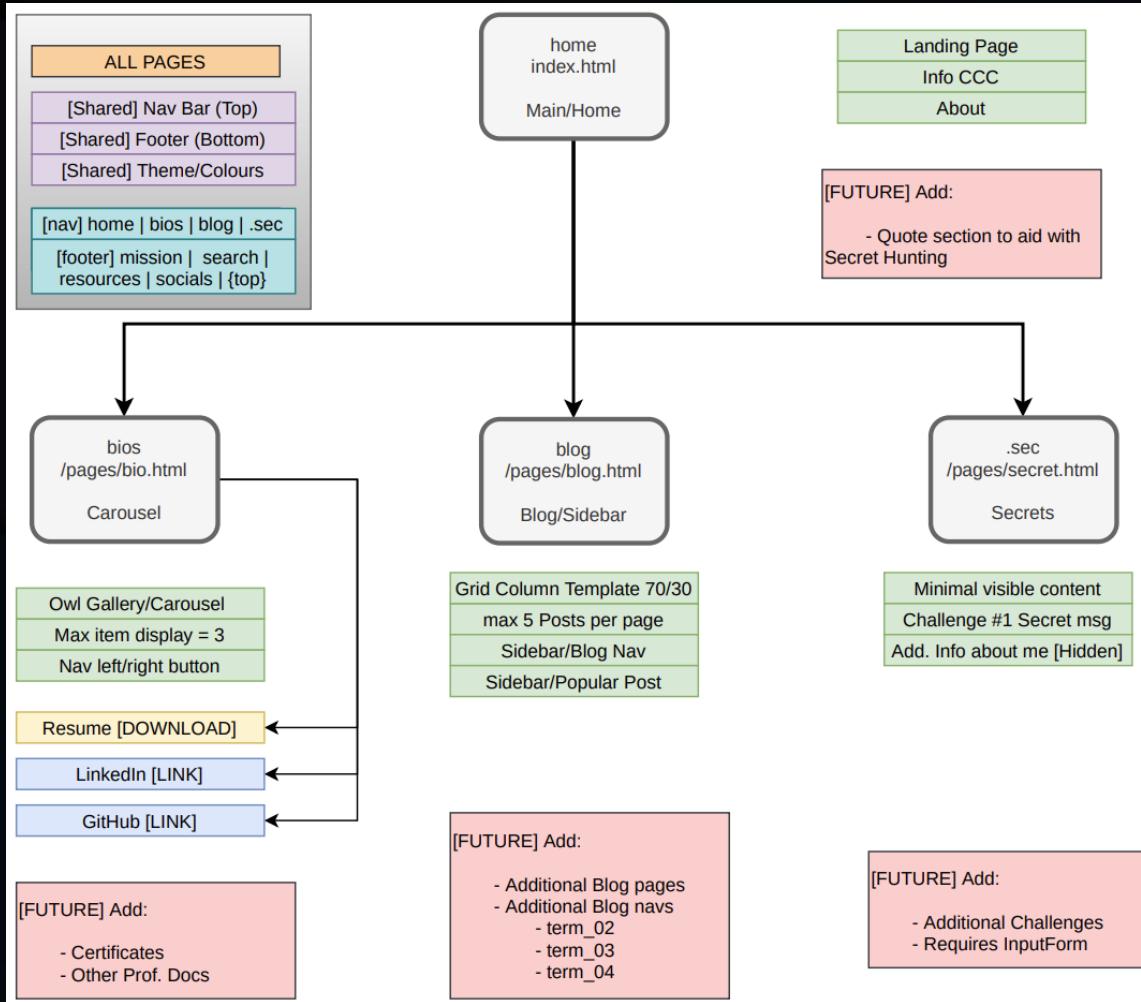

- Research
  - Look at some beautiful websites for inspiration
- Refresh
  - Take breaks often, hit the coffee early not late
- Frame-It
  - Mock up some designs in balsamiq
- Run-Wit-It
  - Hit the code and build
- Brick-Wall
  - GoogleFu for guides, tuts and stack overflow Q/A
- Experiment
  - Throw a spanner in the works - the Break-It/Fix-It Model
- Decisions
  - What do we have for dinner this evening...
- Rinse-Repeat
  - Move to the next line and start again

# Visual

---

- |                      |  |                        |                       |                        |                       |               |                       |
|----------------------|--|------------------------|-----------------------|------------------------|-----------------------|---------------|-----------------------|
| Theme                | - I want to learn to hack so Hacker vibes<br>- Dark theme / White text<br>- Accessible colours used to distinguish objects<br>- Colours:   |                        |                       |                        |                       |               |                       |

containers:  
width expands  
text shrinks

800px  
width: 85%

# Wireframe | bios

Components:

JS + jQuery

Display: Gallery/Carousel

Content:

Resume – Download

GitHub – Link

LinkedIn – Link

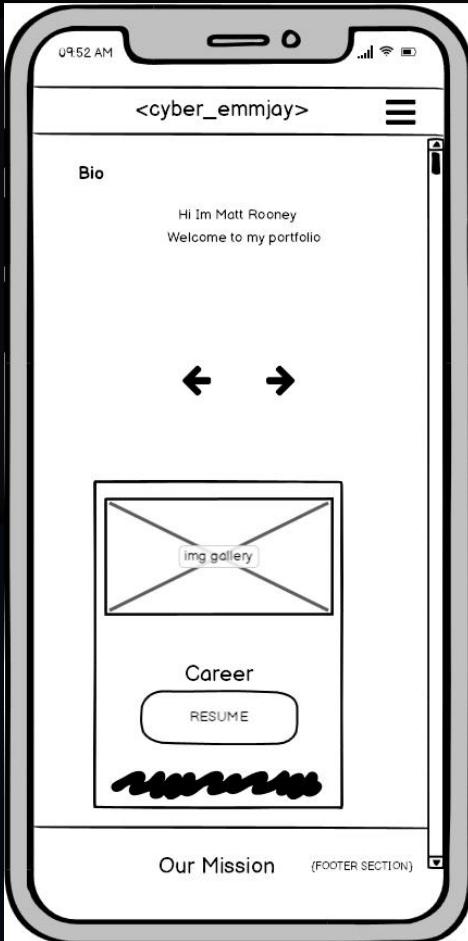

Filler #1 (empty)

Filler #2 (empty)

Response:

Max 3 Items displayed

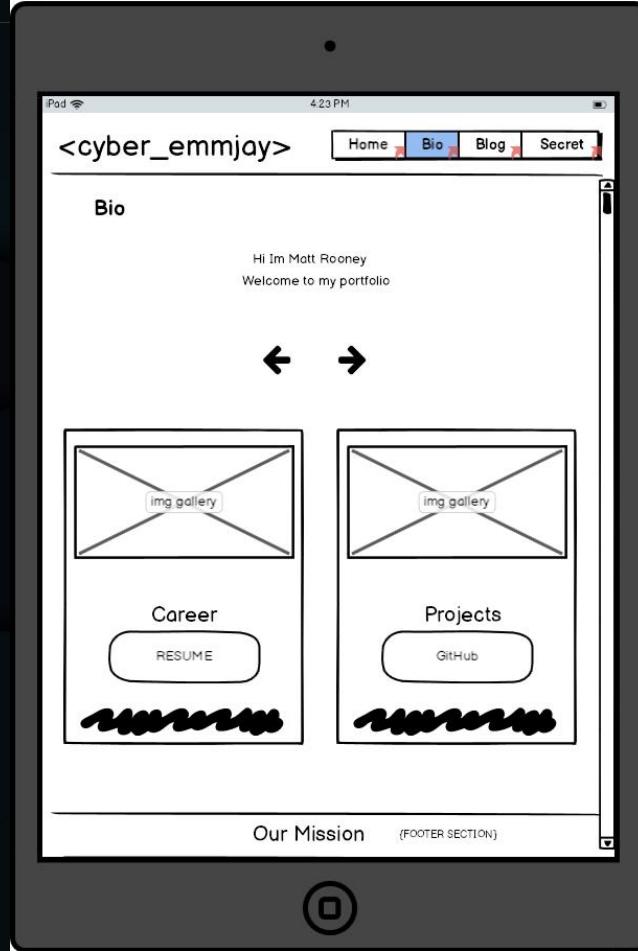

# Wireframe | bios

Carousel:

1 item only  
displayed on  
small screen

(320px)

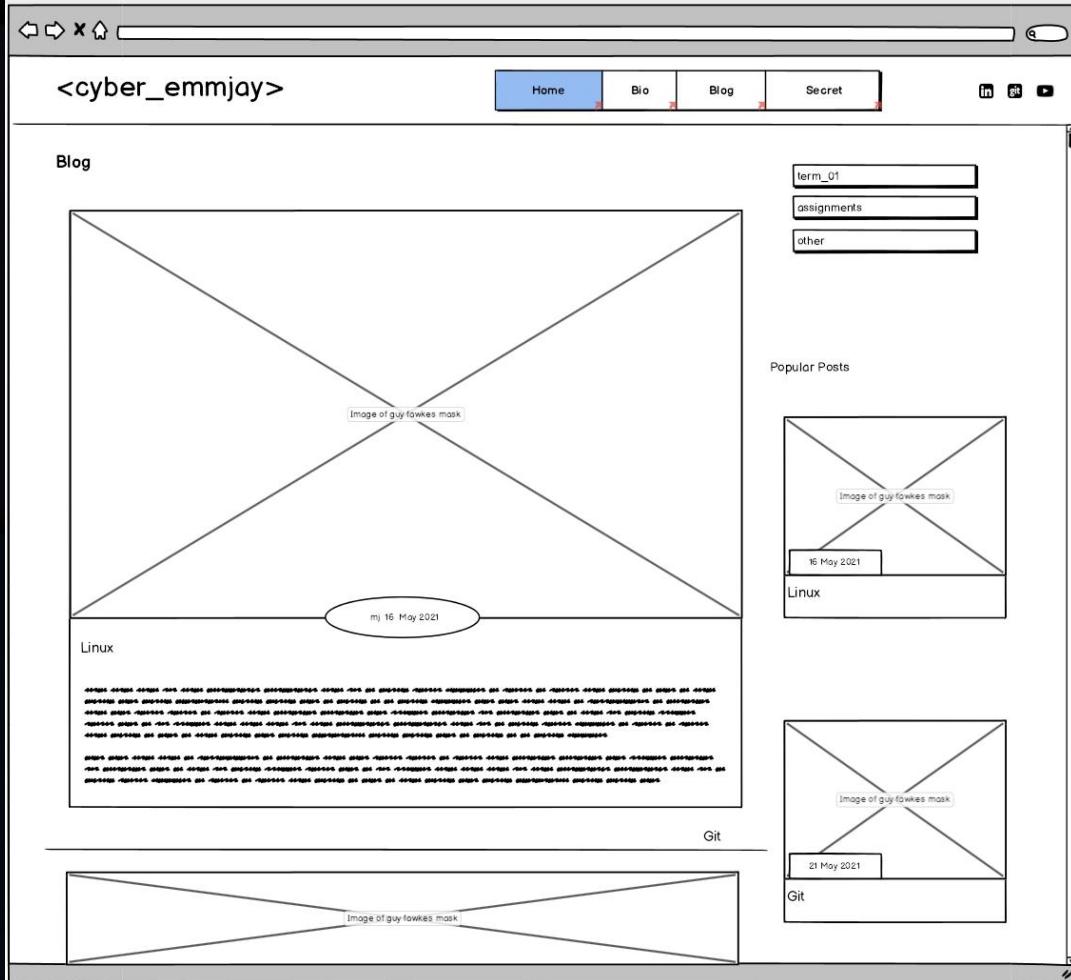

Carousel:

2 items  
displayed on  
medium screen

(640px)

# Wireframe | blog

Display:

Grid template columns  
70% Main Content / 30% Sidebar  
5 blogs per page

Content:

Main:

Linux, Git, HTML, CSS, WebDev

Sidebar:

Category/Blog Nav

Popular post

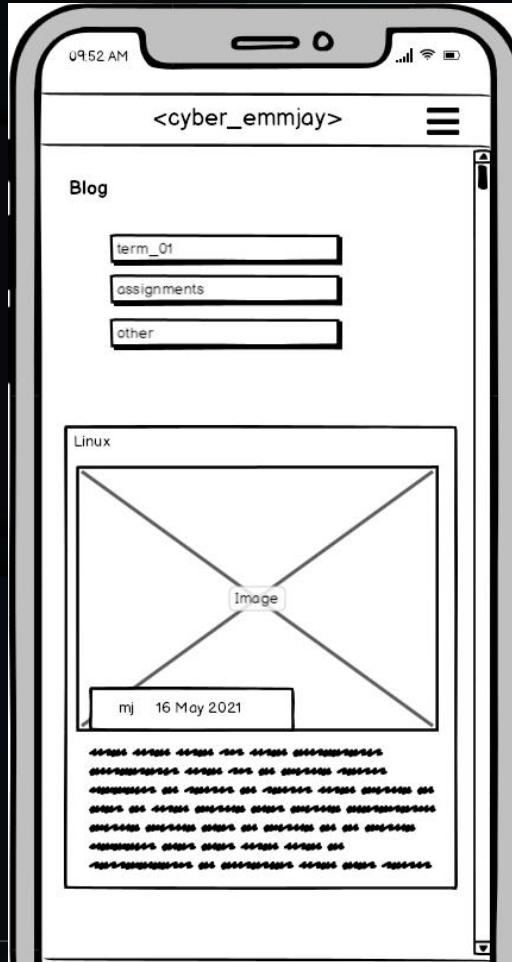

Response:

Shows all content, and sidebar content

# Wireframe | blog

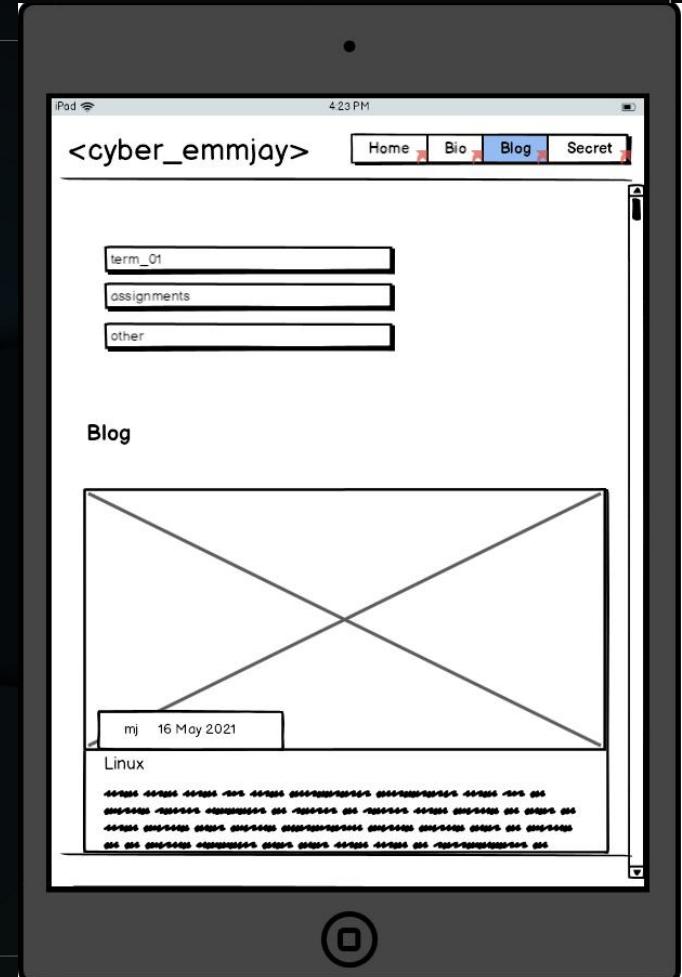

Blog post are pushed below the Sidebar Blog Nav

Font shrink to suit screen size

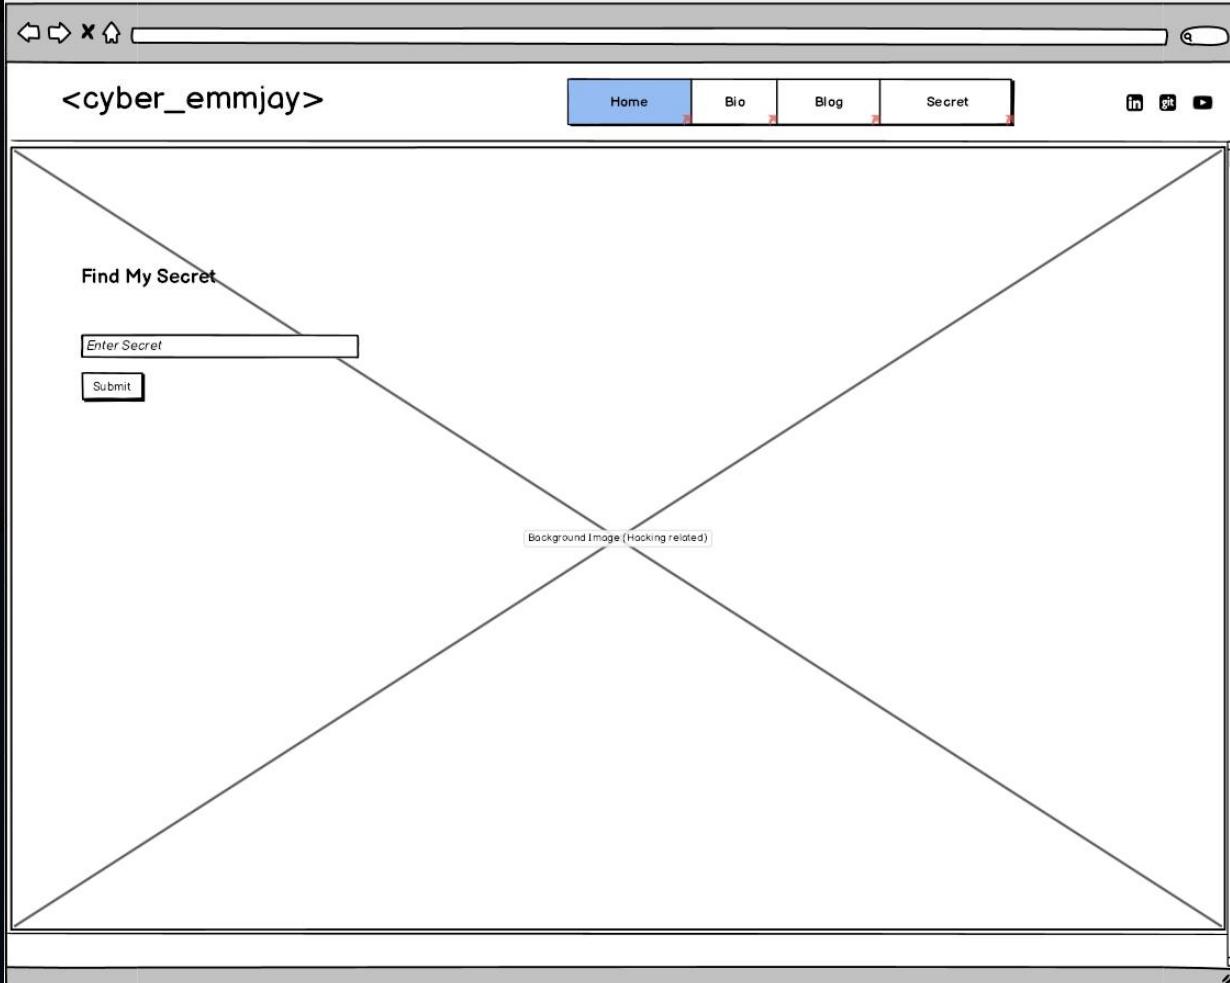

The sidebar is pushed to the top of the screen and popular post section is hidden

@ (800px)

# Wireframe | .sec

Display:

Simple & Hidden

Content:

Hidden Secret message  
Hidden About Me

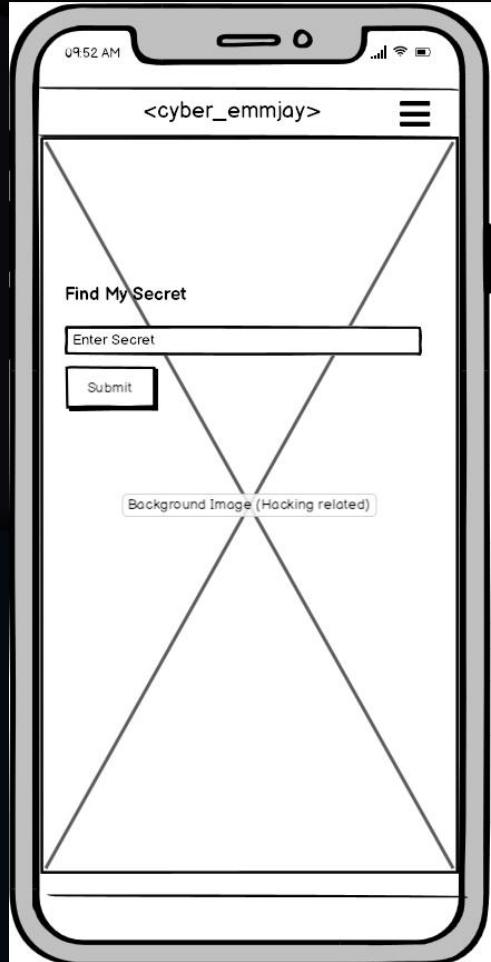

Response:

Scales to all screens  
not a lot of content here yet

Future:

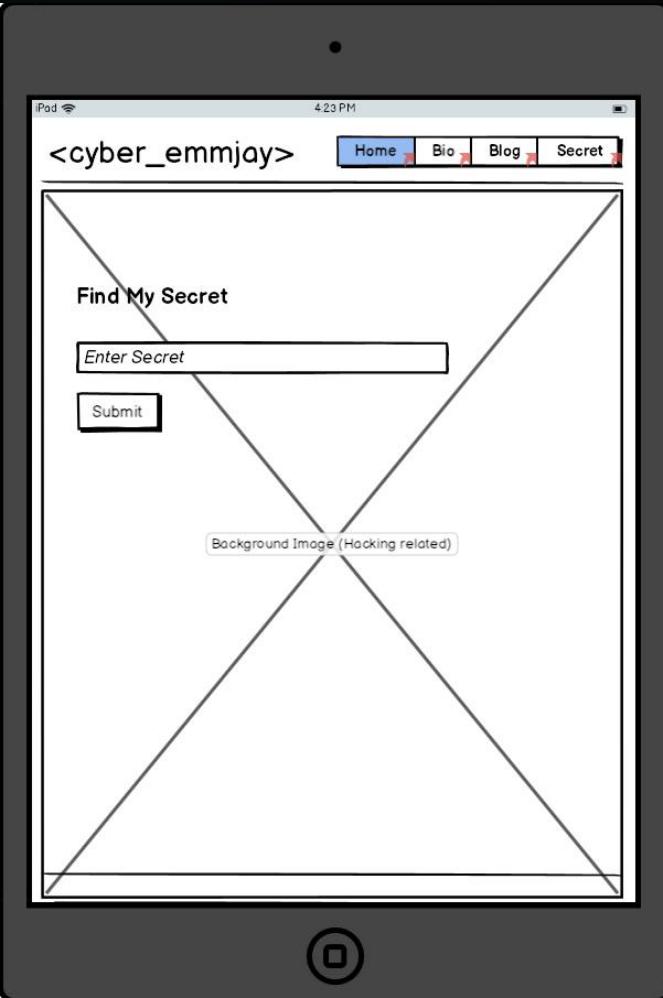

Add Form Input to allow  
challenge answers to be  
submitted

# Wireframe | .sec

Response:

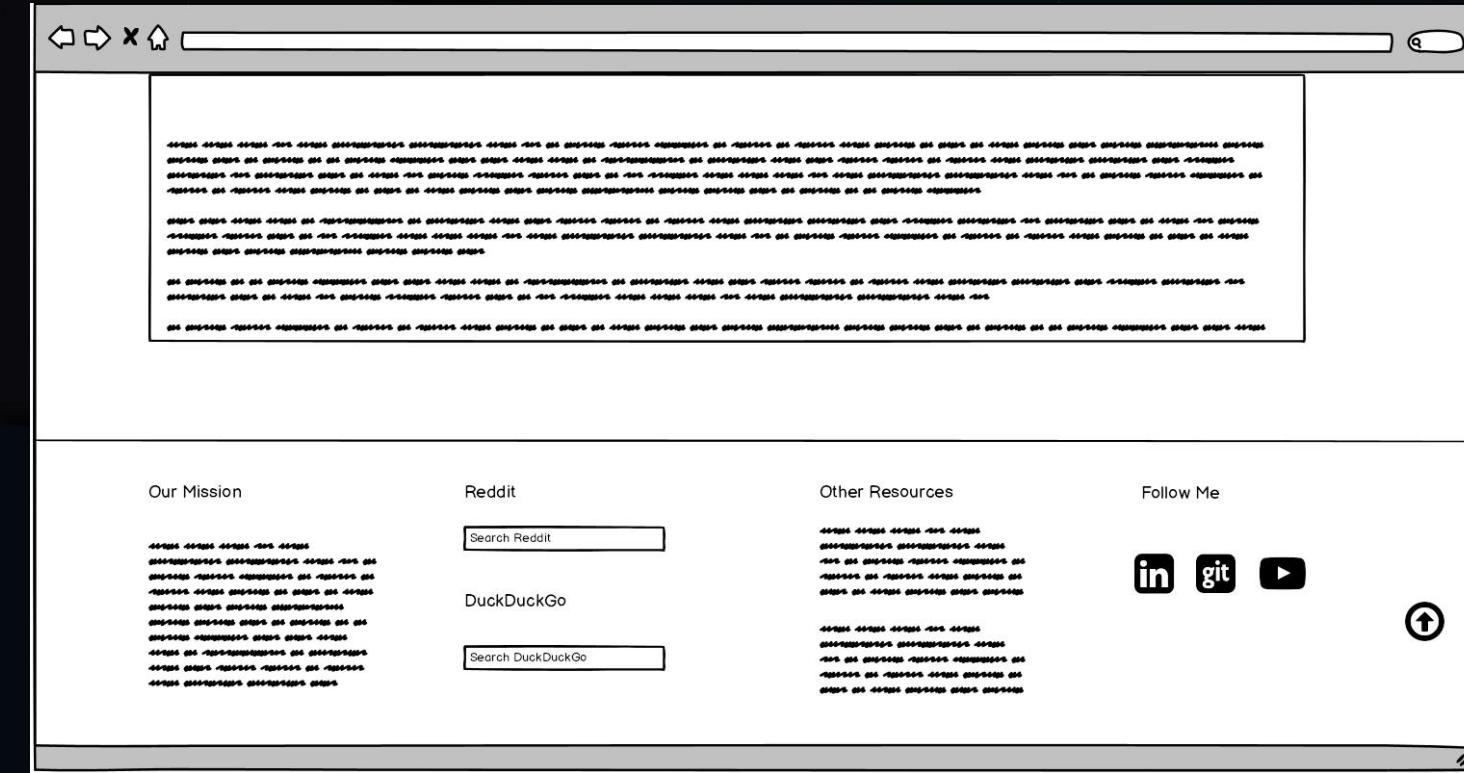

Reduced Font  
Size

Response:

CSS  
Background:  
automatically  
resizes

# Wireframe | Footer

Display:

Grid template columns

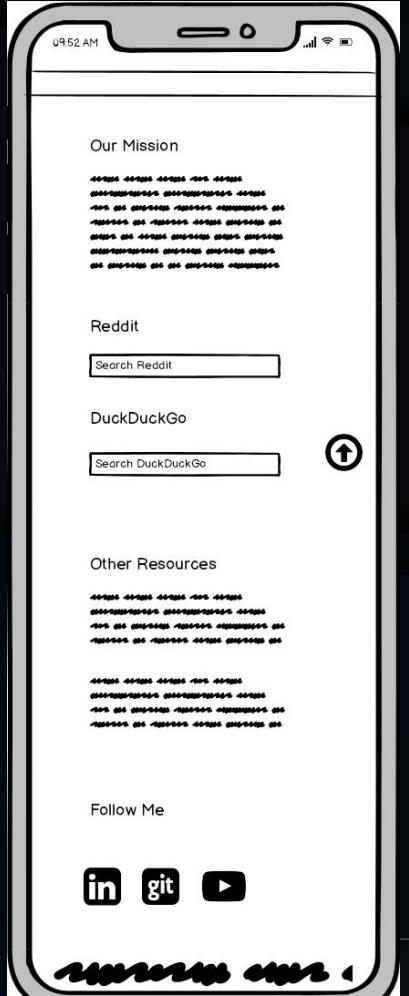

+1400px:

4 columns

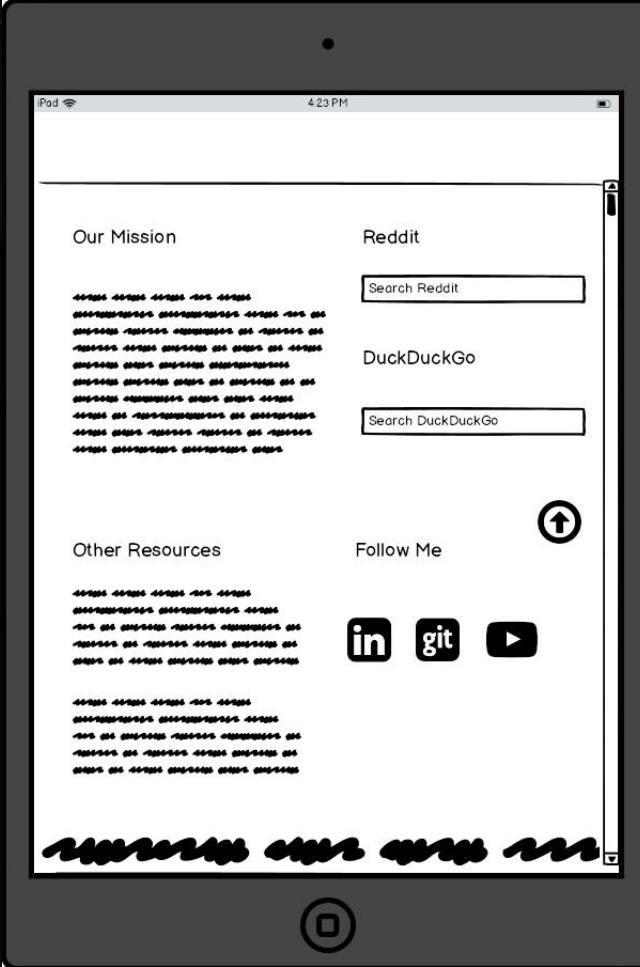

Content:

- Our Mission
- Search Reddit or DuckGo
- Other Resources
- Follow Me (Socials)
- NavUp to Top

# Wireframe | Footers

Response:  
-800px:  
single column

Response:  
-1400px:  
dual column

# Wireframe | Nav

Component:

JS + jQuery
